INVENTION NAME : _____

PROPRIETARY MATERIALS : All materials and information related to the above invention, including written and verbal descriptions, samples, drawings, photos, recordings, and videos, as identified by the attached description signed and dated by AGENT, and the following document numbers, if any:

INVENTOR: _____

ADDRESS: _____

Phone, fax, email: _____

PATENT AGENT: John V. Stewart, 1308 Henry Balch Dr., Orlando, FL 32810 acknowledges and agrees as follows:

1. AGENT certifies that he is currently legally registered with the United States Patent and Trademark Office as a patent agent in good standing, and is thereby authorized to perform U.S. patent application services.
2. The above PROPRIETARY MATERIALS were first disclosed to the AGENT by the INVENTOR on the date(s) indicated by the AGENT on each respective sheet of the attached description. AGENT agrees to accept these PROPRIETARY MATERIALS under the following conditions:
3. These PROPRIETARY MATERIALS, and the information they contain, shall be used by AGENT solely for purposes requested by the inventor.
4. AGENT agrees not to disclose these PROPRIETARY MATERIALS, or the information they contain to any parties except as authorized by the INVENTOR. INVENTOR hereby authorizes AGENT to disclose these PROPRIETARY MATERIALS to a search firm selected by AGENT.
5. AGENT shall exercise a high degree of care to safeguard these PROPRIETARY MATERIALS, and the information they contain, from access by, or disclosure to, all unauthorized persons.
6. AGENT shall only copy these PROPRIETARY MATERIALS, as needed for the purposes above, and AGENT shall return all PROPRIETARY MATERIALS (including any copies made) to INVENTOR at any time upon request by INVENTOR.
7. The non-disclosure terms herein shall not apply to any information which AGENT can document becomes part of the general public knowledge through no fault of AGENT, or after publication by a patent office disclosing the PROPRIETARY MATERIALS.
8. AGENT agrees to complete a U.S. PATENT SEARCH on the above invention within 2 weeks of receipt by AGENT of the search fee of \$400 and an adequate description of the invention. AGENT will provide to the INVENTOR a copy of the most relevant documents found, and an analysis of these documents to assist the INVENTOR in deciding whether to proceed with a patent application on the above invention.
9. This search focuses on U.S. patents and briefly non-patent publications such as news and magazine articles and foreign patents.
10. Due to the complexity of patent searching, AGENT does not guarantee the search. There are millions of U.S. and foreign patents and non-patent documents. Pending patents are unavailable for searching until they are published. The purpose of this search is to give you the best information on U.S. patentability that I can provide in about 4 hours of work.
11. APPLICATION OF AGREEMENT: This agreement only applies to the invention disclosed in the attachments.
